

# CAL payments made faster

Sign up now for Electronic Funds Transfer (EFT)

## Say goodbye to cheques and hello to faster payments

The way CAL makes payments to its members for the use of their works is set to change. By December 2010, all CAL payments to members will be made by EFT – so if we don't have them already, CAL will need your nominated bank account details.

- Step 1:** Go to [www.copyright.com.au/EFT/Electronic\\_Funds\\_Transfers.aspx](http://www.copyright.com.au/EFT/Electronic_Funds_Transfers.aspx) for an online copy of the Nominated Bank Account form.
- Step 2:** **Complete the form online**, ensuring you include nominated bank account details for your CAL member payments.
- Step 3:** To send your form to CAL, **click 'Submit'**. If you're using Hotmail, Yahoo or Gmail please email the form as an attachment to [distrib@copyright.com.au](mailto:distrib@copyright.com.au).

**No access to the internet or email?** Simply call CAL's Payment Services team on (toll free) 1800 066 844 and we will post the form to you. You can send a signed copy of the form to:

### **CAL Payment Services**
